## PROJECTS

### Gym Website Development.

- Description: Designed and implemented a dynamic website for my GYM, incorporating modern technologies to enhance user experience and streamline management. Utilized HTML, CSS3, Bootstrap, and JavaScript for front-end development, integrating Google APIs for location services and Google Sheets for efficient data management.
- Technologies Used: HTML, CSS3, Bootstrap, JavaScript, Google APIs, Google Sheets.
- Key Achievements: Implemented interactive features and functionalities using JavaScript to enhance user engagement.
- Project Link: [Gym Website](#)

### DevOps Project: Building & Deploying .NET Core API/Web App

- Description: Developed a Jenkins Freestyle job to seamlessly download code from Git, enhancing version control and streamlining the code retrieval process. Spearheaded the creation of a Jenkins Freestyle pipeline to build and deploy a .NET Core API/Web App using Docker.
- Technologies Used: Jenkins, GIT, Dot Net, Docker, MongoDB, NodeJS
- Key Achievements: Enhanced Data Accessibility, Efficient Record Management, Real-Time User Interaction, Error-Resilient Student Access
- Project Link: [DevOps](#)

## CERTIFICATIONS

### Microsoft Certifications (05/2021 - Present):

- Microsoft Certified: AZ-900 (Azure Fundamentals)
- Microsoft Certified: AI-900 (Azure AI Fundamentals)
- Microsoft Certified: DP-900 (Azure Data Fundamentals)
- Microsoft Certified: PL-900 (Power Platform Fundamentals)

### Web Development Course (Future Skills Prime):

- Successfully completed the Web Development Course offered by Future Skills Prime in collaboration with NASSCOM & earned badges.

## EDUCATION

### Poornima University, Jaipur, RJ, India, (2018- 2022)

Bachelor of Technology in Computer Science

- CGPA: First Division with Distinction
- Specialization with Cloud Computing & Information Security

### All Saints Sen Sec School, Ajmer, RJ, 2018

Secondary Education: Science & Math's

## INTEREST'S

- Managing and Organizing Online and Offline Events with Team.
- Fitness Freak
